

Copyright

BONDSTER Marketplace s.r.o. in every particular case holds copyright and other rights to use and protect all websites, including design and graphic processing, source texts, software and content. Users may download, copy and / or store the website, its content or results, generated or processed for presentation purposes, in whole or in part, for private use only. Commercial usage is forbidden. No other use is allowed without prior consent. The copyright or trademark designation may not be removed or modified. Any other use beyond the above authorization is subject to the prior written consent of BONDSTER Marketplace s.r.o.

Informative purposes

All data and information published on www.bondster.com are provided free of charge and solely for informational purposes. The content of this site does not represent advertising, recommendations or suggestions for entering a contractual relationship. Creating hypertext link to any webpage on one of the websites belonging to this information service is prohibited without the prior written consent of BONDSTER Marketplace s.r.o. In particular, it is prohibited to include the website of this information service or its content through hypertext frames.

Links

Homepage of BONDSTER Marketplace s.r.o. contains hyperlinks to others third party websites as an unpaid service. Clicking on the link redirects the user from the BONDSTER Marketplace s.r.o. to another website. BONDSTER Marketplace s.r.o. is not responsible for, and does not guarantee, the correctness, legality and completeness of the information contained on other web sites. Further, BONDSTER Marketplace s.r.o. expressly excludes themselves from responsibility for any content of an illegal nature posted on any linked web site.

Cookies and other software

The use of analysis software is incorporated on the www.bondster.com website. The evaluation of these data makes it possible to gain valuable insights into user needs and improve the services offered. This information is evaluated for statistical purposes and it is exclusively information that does not allow personal identification. Each and every user is still anonymous. In this context, so-called cookies are also used. Cookies are text files that are stored on the computer of those visiting a website and allow the visitor to be repeatedly recognized by the website on an anonymous basis.

Translations

BONDSTER Marketplace s.r.o. is not responsible in any way for the correctness of translations. However, BONDSTER Marketplace s.r.o. seeks as much accuracy as possible with translated materials.
