

Recommend an Investor and Both of You Will Profit - promotional event conditions

The event is held by **BONDSTER Marketplace s.r.o.**, with registered office at U Libeňského pivovaru 63/2, 181 00 Prague 8. The Company is listed in the Commercial Register kept by the Metropolitan Court in Prague, Section C, File 227708.

How does the recommendation work?

Recommend Bondster to a person you know and tell them to indicate your Bondster ID (your personal identification number or variable symbol) as a promo code during their registration.

As soon as the investor you have recommended, who has also indicated your promo code, invests a sum of money within 90 days since concluding their user account contract, both of you become eligible for a bonus of 1% from the amount they invest during this 90-day period.

The bonus is to be paid out once every 30 days and is paid from the increase in funds invested in the respected period.

Model Situation

In a 90-day period since concluding their user account contract, the recommended investor invests a total of EUR 10.000 with Bondster, while:

- As at day 30 since concluding their user account contract, the recommended investor has invested a total of EUR 7.000. Both you and the investor are thus eligible for a EUR 70 bonus (i.e. 1% of the amount invested as at day 30 since the conclusion of the contract).
- As at day 60 since concluding their user account contract, the recommended investor has invested a total of EUR 10.000 (they have invested another EUR 3.000). Both you and the recommended investor are thus eligible for a EUR 30 bonus (i.e. 1% from the newly invested amount between days 30 and 60 since the conclusion of the contract).
- As at day 90 since concluding their user account contract, the recommended investor has invested a total of EUR 10.000 (they haven't invested any more funds). Therefore, in this period, neither you nor the recommended investor are eligible for a bonus because no new investments were made (i.e. the 1% from the assets increase between days 60 and 90 since the conclusion of the contract equals zero).

Thus, for the 90-day period since concluding their user account contract, both you and the recommended investor become eligible for a bonus of EUR 100 (EUR 700 + EUR 300 + EUR 0).

Funds invested in the [Profitable Reserve](#) product (receivables with an interest rate of 3.9% p.a. with the Guarantee of Liquidity and a 0% fee for withdrawing the investment) are not included in the amount of investments held. Therefore, the investments in the Profitable Reserve do not pay the 1% bonus neither to the recommending, nor to the recommended investor.

Promotional Event Conditions

- It is only possible to recommend investors who haven't previously had an account with Bondster.
- The bonus is paid out only from the investments held, that is from realized investments, not from the funds deposited on the investor's account.
- The bonus is paid out only from new investments made. If a recommended investor makes only one investment in the 3-month period, worth let's say EUR 7.000, both you and the recommended investor will receive a total bonus of EUR 70 for the respective 30-day period in which the investment was made.
- Potential principal repayments (and similar transactions) during the 90-day period since conclusion of the user account contract lower the volume of investments held. The model situation doesn't take these kinds of transactions into account.
- The bonus is always paid out to a virtual investor's account with Bondster.
- The bonus is credited to the account the month following the month when the investor became eligible for receiving the bonus. For example: The 30th day since signing the contract falls on 15 November 2018. The bonus will be credited by the 5th day of the following month, i.e. by 5 December 2018.
- The promotional event applies to each new investor who signs the user account contract with BONDSTER Marketplace s.r.o. starting from 18 October 2018 until further notice.
- This promotional event doesn't apply to recommended investors who are the current investor's family members or their related persons as stated under section 22 of the Civil Code. If the investor is a legal person then the persons excluded from this promotional event are also persons who are personally or financially linked to the investor.

The BONDSTER Marketplace Company has the right to limit or prolong the promotional event. The Company reserves the right to change or amend these Conditions at any time or to terminate the event.

Terms Used
